

## CF 2-way sequence Cup

These rules are supplementary to the IPC 4-way canopy formations rules.

**Working time:** 120s (can be reduced by the chief judge because of weather conditions, not shorter than 90s)

**Exit altitude:** 2000m (6500 ft) AGL (can be reduced by the chief judge because of weather conditions, not lower than 1500m (5000 ft) AGL)

**Draw:** 5 rounds, each round consists of 4 points that have been drawn from the dive-pool with 6 formations. When a formation is drawn, it will be returned to the dive pool so that it may be drawn again.

**Judging:** If a formation is omitted then the team receives no further points.  
No mirror formations are allowed.  
All formations shall be performed as shown in the dive pool, seen from behind.

**Dive pool:**
